

## AUSSIE ADD-ONS!!

Australia is the original gap year destination and is not to be missed! Plan ahead, and explore amazing opportunities on offer Down Under.

Gap 360 offers an incredible range of awesome activity adventures, so check out our top recommended Aussie adventure programmes and pack as much fun into your gap trip as possible!

It's beneficial to book all your adventures before you go. Reasons for this are:

- **Open-dated tickets** - allow for maximum flexibility, so you can enjoy the freedom of roaming around at your own time and pace.
- **It can save you a lot of money** - book in advance before you head out to Australia and grab the best deals!
- **It saves you hassle** - trying to find the best deal while you're out there can be tough, you won't want to waste an Australian minute trying to decide where to head next!
- **Save your spending money** - If you've paid and booked for things before you go, you don't have to worry about whether you have enough money to do everything you want to!
- **We can book you onto the most popular trips in Oz** - you can be sure your new mates will want to follow in your footsteps!

Wondering where to start? If you've never been to Australia it's difficult to know which are the most popular places to travel and what highlights are available in each area. We have put together the best bits of these four areas of Australia:

- East Coast
- Outback
- West Coast
- South

## East Coast

The most popular path to tread is the East Coast, from Sydney to Cairns (or Cairns to Sydney!) You can have so many amazing experiences along the East Coast, from partying the night away in Sydney, catching waves at surf camp, sailing the beautiful Whitsundays and of course taking a starring role in Finding Nemo as you dive the Great Barrier Reef!
